

**FEEL THE WINTER WIND BLOW**

© Belinda McArdle 2010

Feel the winter wind blow  
Feel the winter wind blow  
Feel the winter wind blow

Watch the winter rain fall  
Watch the winter rain fall  
Watch the winter rain fall

Be in the silence  
Be in the silence  
Be in the silence

**Storms at sea, the fire warms, the fire warms, the fire warms me  
Storms at sea, the fire warms, the fire warms, the fire warms me**
