

## FRIDAY FERRY BOAT TALE

© Belinda McArdle 2012

I wish you joy  
I wish you love

Bride on the water, has groom, will sail  
A Friday ferry boat tale  
Family lined up from stern to bow  
Friday ferry boat vows

I wish you joy  
I wish you love

Groom on the river, has wife, will float  
A Friday dream aboard a ferry boat  
Lights twinkle down special rays  
Friday ferry wedding day

I wish you joy  
I wish you love

With this silver ring he'll give you tears of the moon  
Under the stars everything is yours  
I give you tears of the moon  
Everything is stars and love

Bride on the water, has groom, will sail  
A Friday ferry ferry boat tale  
Groom on the water, has wife, will float  
A Friday dream aboard a ferry boat  
A Friday dream aboard a ferry boat  
A Friday dream
